Experience

United Domains Inc | Oct 2010 - present | **Web developer**

- Front-end: HTML5, CSS3, jQuery, AJAX
- Back-end : PHP5 OOP, MYSQL, APIs, payment system

Education

Harvard university
2010-2011
Computer science
Building dynamic web applications
Building Mobile application for Android, iPhone, Web

BSU university 2005-2006
Master's degree in engineering

BSU university 2002-2006
Programming, OOP. Pascal, C
Web developing, Web design
Database architecture, PHP, MySQL, HTML, CSS

BSU university 2001 - 2005
Bachelor's degree in engineering

Portfolio

United Domains

my role:

Develop and support the project
Front-end: HTML5, CSS3, jQuery
Back-end: PHP 5 OOP, MySQL application

ZnaiKak (high performance)

100 000 users per day

my role:

Design Database
Design PHP architecture
front-end, back-end , PHP 5, MySQL application

Approach

my role:

Graphic design
xHtml, CSS coding
jQuery, JavaScript
Architecture database
PHP 5, MySQL application
Smarty templates
Apache, mod_rewrite
All URL and pages dynamic
own CMS with Friendly back-

end

Josime

my role:

PHP 5, MySQL application
own CMS with back-end
xml API

Promotext

my role:

PHP 5, MySQL application
Smarty templates
Apache, mod_rewrite
All URL and pages dynamic
own CMS with Friendly back-end

Andy Tasher

my role:

PHP 5, MySQL application
own CMS with back-end
xml API

MaxProWeb

my role:

PHP 5, MySQL application
CakePHP FW
Graphic design
Html, CSS

OpenSource

jQuery.aMail

my role:

This is a free and easy anti
spam jQuery plugin.

Cat and crop pictures

my role:

This is a free jQuery & php
service of cutting and cropping
pictures online.

Smart password generation

my role:

This is a free password
generation service. You are
using only one master
password to generate any
account passwords for other
website.

Approach (Education) | Aug 2009 - Sep 2010 | Web developer

- Web design/html coding/php,mysql programming
- Programming web tools for employee
- Build project satellite
- Support old website and web project
- Search engine optimization (increase traffic in 5 times)
- Google Analytics

TMU (Consulting) | Oct 2008 - May 2009 | Manager of web department

- Build new web projects
- Support and update exist projects (20 websites)
- Product management
- Search engine optimization
- Google Analytics

Mastak (Web-design studio) | May 2007 - Sep 2008 | Owner

- Team leader of web developers
- Working with customers
- Management employees

OrangeOnWeb (Web-design studio) | May 2006 - May 2007 | Web Developer

- Web developing php,mysql,jQuery websites with back-end every couple weeks

My projects | Nov 2005 - May 2006

- http://minsk.the.by, http://gomel.the.by - weather forecast
- market of mobile phones

Interfax-West | May 2003 - Now 2005 | Web developer/team leader

- Design database (mysql)
- Design (OOP,MVC) architecture for web portal
- Developing Core, modules, plugins
- Product management, team leader
- hight performance optimization
